

InspireHealth, a Canadian leader in supportive cancer care is seeking a health-oriented and passionate Physician to join our Vancouver team in a part-time capacity (2 to 3 days per week). During COVID-19, patient care is being provided virtually.

ABOUT INSPIREHEALTH

InspireHealth is a not-for-profit supportive cancer care organization partially funded by the BC Ministry of Health. Since 1997, we have provided programs and services to enhance quality of life, health and well-being of people living with cancer and their families. Our cancer rehabilitation services support and educate people during and after cancer treatment. We offer practical and personalized exercise therapy, stress management, nutrition and counselling services. By providing practical programs, patients are engaged and empowered to play an active role in their health.

Physician Role

The InspireHealth Physician provides a person-centred approach to supportive cancer care with a focus on lifestyle measures to support health and well-being. Patient care includes individual consultations, and facilitation of group programs for patients and their families. As part of the individualized patient care, the Physician will assess patients, review medical reports and create personalized recommendations and education for lifestyle improvements and health promotion. In addition, the Physician teaches and facilitates other InspireHealth programs, reaches out to the community through speaking engagements, liaises with other healthcare professionals and outside agencies, and performs other related duties as required.

The ideal Physician for this role has a compassionate presence and a clinical style supportive of patient empowerment and engagement. They possess a significant understanding of emotional health as it relates to chronic illness, cancer and end-of-life care. Their leadership, facilitation, and presentation skills will be called upon in this role. They possess excellent communication and interpersonal skills and have the ability to work with integrity, self-responsibility, and accountability. The Physician is well organized and self-directed, working well independently and as part of a multi-disciplinary team.

Previous experience with cancer or complex chronic illness is an asset.

Qualifications & Requirements

- Medical Doctor (MD) degree and registered, licensed and in good standing with the College of Physicians and Surgeons of BC at time of appointment
- Family Medicine Residency training, CCFP designation or equivalent
- Enrolment with the Medical Services Plan
- Canadian Medical Protective Association (CMPA) or equivalent professional liability insurance coverage
- Minimum of one year of experience in the Canadian health care system in family medicine or a speciality area, or an equivalent combination of training and experience
