

InspireHealth, a Canadian leader in supportive cancer care, is seeking a Clinical Exercise Physiologist (CEP) to join our Victoria team in a full-time capacity.

ABOUT INSPIREHEALTH

InspireHealth is a not-for-profit supportive cancer care organization partially funded by the BC Ministry of Health. Since 1997, we have provided programs and services to enhance quality of life, health and well-being of people living with cancer and their families. Our cancer rehabilitation services support and educate people during and after cancer treatment. We offer practical and personalized exercise therapy, stress management, nutrition and counselling services.

CLINICAL EXERCISE PHYSIOLOGIST POSITION

This position reports directly to the Exercise Team Lead and the Director of Clinical Services. As a CEP, this individual provides exercise and fitness related services including consultations, physical assessments and teaching classes. In addition, the CEP teaches and facilitates other InspireHealth programs, reaches out to the community through speaking engagements, liaises with other healthcare professionals and outside agencies, and performs other related duties as required. Operational and administrative roles including marketing, event coordination/support, communications, and fundraising, may be required.

KEY RESPONSIBILITIES

- A team player who contributes to a supportive, collaborative environment.
- Perform individualized exercise consultations with patients including history taking, review of medical reports, determination of current and potential activity levels, assessment of current fitness levels, and discussion of behavior change and goals.
- Prepare individualized activity plans and programs based on diagnosis, health status and concerns, activities of daily living, patient goals, energy levels, treatment-related side effects, and recommendations from physicians or other health professionals.
- Design and facilitate exercise-related group programming including group strength and stretch, strength-based circuit classes and/or walking groups.
- Observe and analyze patients during exercise sessions, write progress reports and consult with other health professionals as necessary.
- Provide education to patients regarding health promotion, physical activity, exercise, and injury prevention.
- Give public talks and participate in community networking events to promote InspireHealth.
- Contribute written articles to the InspireHealth newsletter, blog, and magazines.
- Operational duties in marketing, fundraising, events and administration may also be required.
